Volunteer Training

Center for Hospice Care has a wonderful training program that will prepare you for service. There are three levels of training totaling 15 hours. You will learn about confidentiality, dementia, policies and procedures and much more. What level of training you need depends on what volunteer opportunity you are interested in. You and the Volunteer Recruitment and Training Coordinator will determine which level of training you will need.

SPRING 2018 TRAINING

SATURDAY MARCH 10 & MARCH 24

8:30 am to 5:00 pm

**Center for Hospice Care Mishawaka Campus
501 Comfort Place**

ONLINE TRAINING

Center for Hospice Care offers online training options as well. Levels 1 and 2 may be completed online, with a face-to-face or class time follow up and review. You may discuss this option with Kristiana Donahue, Volunteer Recruitment and Training Coordinator.
