TRANSFORMING LOSS

a workshop for
individuals dealing with grief
and those who help them

Join us for our 3rd Annual *Grieving Out Loud* workshop:
TRANSFORMING LOSS

Keynote Speaker: **ALAN PEDERSEN**
Executive Director, *The Compassionate Friends*

On August 15, 2001 Alan's life was changed forever. Ashley Marie Pedersen, his oldest child and only daughter, died as a result of an automobile accident. Alan has turned his journey through the valley of grief and the pain of loss into becoming a helpmate and inspiration to the bereaved.
